

Privacy Policy

Effective Date: July 22, 2026

Welcome to **SproutOps** ("SproutOps", "we", "our", or "us"). This Privacy Policy explains what information we collect, how we use it, and your choices when using our service.

1. Information We Collect

When you create an account, we may collect:

- Your name
- Email address
- Profile picture (if you sign in with Google)
- Authentication information provided by Supabase or Google
- Information you create within the application, including projects, videos, tasks, comments, and settings
- Basic technical information such as browser type, device type, IP address, and usage logs

2. How We Use Your Information

We use your information to:

- Create and manage your account
- Authenticate your identity
- Provide and improve SproutOps
- Store and synchronize your projects and tasks
- Respond to support requests
- Maintain security and prevent abuse
- Communicate important service updates

We do not sell your personal information.

3. Third-Party Services

SproutOps relies on trusted third-party providers, which may process limited information necessary to operate the service, including:

- Supabase (authentication and database)
- Google (Google Sign-In, if you choose to use it)
- Other infrastructure providers used to host and operate the application

These providers have their own privacy policies.

4. Data Storage

Your information is stored securely using industry-standard security practices. While we take reasonable measures to protect your data, no system can guarantee absolute security.

5. Your Choices

You may:

- Update your account information
- Delete your account (where supported)
- Contact us to request deletion of your personal data

Some information may be retained where required for legal, security, or operational purposes.

6. Children's Privacy

SproutOps is intended for users who are at least 13 years old (or the minimum legal age in your jurisdiction). We do not knowingly collect personal information directly from children.

7. Changes to This Policy

We may update this Privacy Policy from time to time. Updated versions will be posted within the application or on our website with a revised effective date.
